Archery Australia Inc Re-Accreditation Policy Continuing Education Requirements

The following guide is to assist coaches maintain their coach accreditation under the National Coaching Accreditation Scheme (NCAS).

Continuing Education

Following accreditation coaches must maintain their accreditation by undertaking coaching activities. In order to assist coaches in this matter a table of award points has been accepted by the Standards and Coaching Committee and coaches are required to accrue the following amount of points each year and over their 4-year period of accreditation.

Level 1 Attain 150 credit points over a 4-year period, with a minimum of 10 points per year, or attain Level 2 status (see note 4).

Level 2 Attain 200 credit points over a 4-year period, with a minimum of 20 point per year, or attain Level 3 status (see note 4).

Level 3 Assessment conducted by individual performance review.

Level 4 Assessment conducted by individual performance review.

Coaches are expected to keep a logbook or similar of coaching activities to allow for a review at regular intervals by the appropriate authority. On conclusion of a coach's 4-year period of accreditation if they have met the above points requirements they will be eligible to be reaccruited for a further 4-yaer period at the current level.

The following bodies will administer implementation of the above accreditation requirements:

Level 1 & 2 Regional Coaching Committee

Level 3 & 4 Archery Australia Inc Coaching and Standards Committee

Assessment Points Table

Level 1	<ul style="list-style-type: none"> • "Come N Try" (One day Course) 20 • "Come N Try" (Multi Day Course) (points per day) 20 • Attend upgrade seminar 10 • Observe coaching by a higher-level coach 10

Notes:

1. Points can be accumulated from regional selection to national selection.
2. Other activities may be recognised, at the discretion of the Archery Australia Inc Coaching and Standards Committee. Requests for recognition of other activities must be made to the Archery Australia Inc Coaching and Standards Committee through the RGB Coaching Committee.

3. Additional no archery specific courses can be undertaken, i.e. first aid certificate, massage certificate, which will enhance the overall abilities of the candidate.
4. The above point's table effective from 1 August 2005.

Review

If a coach does not meet the points requirements above due to short term problems like being unable to coach due to work commitments, ill health or drops out of the sport for a period, the RGB Coaching Committee should develop with the coach a mutually agreeable plan of coaching activities for the coach to undertake prior to re-registration. These activities should include coaching and education activities.

Recognition of Prior Learning

Candidates presenting themselves for accreditation as coaches will be allowed to have their prior knowledge taken into account. This is particularly so in the case of overseas coaches and coaches who have let their accreditation lapse. For more information please contact the Archery Australia Standards and Coaching Committee.
