

The Working with Children Check application form was reviewed and a new form was issued in April 2007. The new form is easier to complete and identification requirements have changed.

New forms are available from authorised Australia Post outlets.

Currently, authorised Australia Post outlets accept Working with Children Check applications made using both the old form and the new form. However, after 30 June 2007 the old forms will no longer be accepted.

If you hold bulk copies of the old Working with Children application forms please be aware they will not be accepted at Australia Post stores after 30 June 2007.

From 1 July 2007 ONLY new application forms will be accepted. It is strongly advised if you have old forms these are used by mid-June. This will avoid unnecessary inconvenience when lodging applications at Australia Post Outlets.

To quickly identify whether you have an old or new form, the old application form has 3 pages and the new application form has 4 pages.

Enclosed is a flier that may be photocopied and distributed to organisations/agencies you are aware are stocking large quantities of old application forms.

If you require further information please contact the Working with Children Screening Unit on: 6217 8100 (country callers: 1800 883 979) or visit the website: www.checkwwc.wa.gov.au.
